Rope Defender

Reflective Rope Defender Guard

CORDURA®
Fabric

3M

1 Water-Repellent,
Quick-Drying

2 Wear replacement
warning layer

3 CORDURA® fabric high
wear resistance

ROPER'S
RELIABLE TO THE CORE

CREATED BY:

Xmonster®

High Wear Resistance:

Endures over 50,000 abrasion cycles (Orange Fabric) and $\geq 100,000$ cycles (Black Fabric), according to ISO standards.

Lightweight Design:

Weighs just 355 grams, ensuring easy handling and transportation.

Water Resistant:

The CORDURA® fabric provides water resistance.

Dual-Surface Functionality:

Smooth Fabric Side: Allows for unobstructed rope movement.
Friction Fabric Side: Provides improved grip to prevent slippage.

Visibility and Safety:

Features bright colors and a 3M reflective Strip to ensure high visibility in low light conditions.
